

Join The Frequent Customer Club

At El Dorado Cleaners, we make an extra effort to ensure that every Customer knows how much we appreciate their business. We do our absolute best to provide everyone with Convenient Hours, Friendly Service, Premium Quality Drycleaning and Competitive Pricing.

When it comes to our Regular Customers though, we do have a bit of a soft spot. Their frequent visits and blooming friendships make a special difference in our day. In fact, we feel they deserve a little something special in return. That is precisely why we have created our Frequent Customer Club.

Our Frequent Customer Club is a Rewards Program that offers added value over time. Simply put, our Regular Customers accumulate points based on each order that they drop off at El Dorado Cleaners. These points can be redeemed occasionally for Special Gifts.

Club Members also receive occasional email from us that includes Exclusive News, Special Discounts, Seasonal Promotions and Unadvertised Sales. If you would like to join our Frequent Customer Club and enjoy these benefits ... Simply complete the form below.
